The Honorable Wallace F. Bennett
United States Senate
Washington, D. C. 20510

My dear Senator Bennett:

Many thanks for your letter of 6 February 1970 enclosing the letter from [REDACTED] promoting the sale of his latest book "Yellow List: Where is the CIA?"

We had indeed heard of this publication before but I very much appreciate your thoughtfulness in calling it to my attention. We know quite a bit about [REDACTED] and his work and strongly suspect that he is an agent of the East German intelligence service. If you are interested in further details, one of my colleagues would be glad to come by at your convenience and fill you in on the story.

Sincerely,

15/

Richard Helms
Director
